BICENTENNIAL PARK

AN NPA SSB BIRDWATCHING AND PHOTOGRAPHY FIELD TRIP

Grade: 2 (we were carrying heavy camera gear)

Distance: 3km

Dusky Moorhen chick

We gathered from various directions for the morning of bird photography and some of us even got in an early morning preliminary viewing of some of the birds.

Masked Lapwing

Silver Gull

Amidst the Silver Gulls is a lone Cattle Egret, in breeding plumage

The smallest of baby Blue Tongue Lizards

By now we were in the mangroves and Gary could not resist some lessons from days of your when he taught at the Field Studies Centre here!

But can we remember all he taught?

Barbed-wire Grass

That's some plumage
