

Monday 29th July 2024

Wises Track

Party: Brian Everingham, Valerie Atkinson, David Noble, Elaine Yeoh, Vivienne Connolly, Sue Bosdyk, Suzanne Wicks, Helen Fletcher, and Judy Evans

Distance: 10km

Ascent: 100m

Grade: 3

Weather: Clear skies but cold and windy

But before we began, we revisited the Reids Flat site!

Nodding Greenhood Orchid – *Pterostylis nutans*

Common Ant Orchid – *Chiloglottis formicifera*

Common Leafy Greenhood Orchid – *Pterostylis longifolia*

Our familiar friends were all glowing!

We then reduced the party into three cars so we could safely park at the track-head at Wises path and headed off.

Grevillea oleoides, red spider flower,

Drosera spatulata, Comon Sundew

All that was within 2 metres of the cars. This might be a long day!

Gompholobium glabratum, Dainty wedge-pea

Dillwynia retorta, Egg and Bacon

Boronia ledifolia

Cryptostylis species

Drosera peltata

Dendrobium speciosum

And our target species for the day – *Pterostylis daintreana*, Daintrey's Greenhood

Eucalyptus leuhmannia

Blandfordia nobilis
