

# 2025

## In Review

And a Merry Xmas  
Hoping 2026 brings what you dream!

January

And so we begin: art galleries, concerts, bushwalks, friends and photography! Lots of photography. Let the images speak for themselves! But there is considerable variety in subject, framing, lighting, angle of composition and post-production/ Some you'll hate! Some, you'll love. I have tried to select to show that variety.
